

Mission Ten Year Anniversary

Mission Terminal celebrated its 10th year in the grain industry last year. To celebrate this milestone, we held a contest in the 2010-2011 crop year. For every producer car shipped a ballot was entered into the draw for a grand prize of \$10,000.00. There were also 10 secondary prizes of \$1,000.00 each as well as 10 prizes of \$100.00 donations to a charity or cause of your choice which Mission Terminal would match.

Congratulations to the Grand Prize winner of \$10,000.00
